NARRATOR: Once upon a time, a king and queen ruled over a distant land. One winter day, the queen was doing needle work while looking through the window, when a bird flew by distracting the queen and she pricked her finger. A single drop of blood fell on the snow outside her window. As she looked at the blood on the snow she said.

QUEEN: Oh, how I wish that I had a daughter that had skin as white as snow, lips as red as blood, and hair as black as ebony.

NARRATOR: The queen got her wish when she gave birth to a baby girl who had skin white as snow, lips red as blood, and hair black as ebony. They named her Snow White, but sadly, the queen died . Soon after, the king married a new half British half German woman who was beautiful, but proud and cruel. She had studied dark magic and owned a German magic mirror, of which she would daily ask.

STEP-MOTHER: - Spieglein, Spieglein, an der Wand, wer ist die schönste im ganzen Land?

MIRROR: - Frau Königin, Ihr seid die Schönste im Land.

NARRATOR: This pleased the queen. She knew that her magical mirror could speak only the truth. One morning the queen asked.

STEP-MOTHER: Spieglein, Spieglein, an der Wand, wer ist die schönste im ganzen Land?

MIRROR: -Frau Königin, Ihr seid die Schönste hier, aber Schneewittchen ist noch viel schöner als Ihr.

NARRATOR: The Queen was angry and ordered her huntsman to take Snow White into the woods to be killed.

NARRATOR: The poor huntsman took Snow White into the forest, but could not kill her.

NARRATOR: Then the huntsman killed a deer and took his heart to the Queen.

NARRATOR: The Queen was very happy to think she is now the most beautiful of all.

Meanwhile, Snow White was at the forest.

SCENE 1

SNOW WHITE: Oh, I am all alone in the great forest, I don't know what to do.

NARRATOR: Then she began to run. And just as evening was about to fall she saw a little house and went inside.

SNOW WHITE: Oh, this house is so beautiful. Everything is so small and clean.

NARRATOR: The table was set, and there was food on the plates.

SNOW WHITE: I am so hungry. I will eat a few vegetables and a little bread from each little plate and from each cup I will drink a bit of milk.

NARRATOR: Since she was so tired, she lay down on one of the little beds and fell fast asleep. After dark, the owners of the house returned home. They were the four dwarves who mined for gold in the mountains. As soon as they arrived home, they saw that someone had been there.

DWARF 1: Who has been sitting in my chair?.

DWARF 2: Who has been eating from my plate?

DWARF 3: Who has been eating with my fork?

NARRATOR: But the fourth one, looking at his bed, found Snow White lying there asleep.

DWARF 4: Look over here, come quick!.

NARRATOR: The four dwarves all came running up, and they cried out with amazement.

DWARF 1, 2, 3, 4: Oh good heaven, this child is so beautiful!.

NARRATOR: They did not wake her up, but let her continue to sleep in the bed. Next morning, Snow White woke up, and when she saw the four dwarves she was frightened.

SNOW WHITE: Oh, no!.

DWARF 1: Don't be afraid of us. What is your name?.

SNOW WHITE: My name is Snow White.

DWARF 2: How did you find your way to our house?.

SNOW WHITE: My stepmother tried to kill me. Then the huntsman let me free and that's how I had to run the entire day through the forest. Finally, I got to your house.

NARRATOR: The dwarves spoke with each other for a while and then said.

DWARF 1: If you keep the house for us.

DWARF 2: and cook, make beds, wash, sew and knit

DWARF 3: and keep everything clean and orderly.

DWARF 4: then you can stay with us and you shall have everything what you want.

SNOW WHITE: Yes, with all my heart.

NARRATOR: So, Snow White lives happily with the dwarves. Every morning they go into the mountains looking for gold, and in the evening when they come back home Snow White has their meal ready and their house clean. Dwarves help Snow White and she helps them, too. She gives them a few important lessons.

SCENE 2

(Dwarf 1 walking through the forest noticed a nest)

Dwarf 1: O WOW! Free electricity! (he's connecting the phone to the charger, taking pictures, surfing the Net, he returns home with a nest and sings)

(He sits on a chair in a house, still using the phone)

Snow White: hey ,what are you doing?

Dwarf 1: I'm on Facebook and I'm taking selfie

Snow White: oh dwarf... Do you know that if you use your phone and other hardware all the time you will waste electricity?

Dwarf 1: oh, I didn't know that. So what's now?

Snow White: You should use less of your phone. Take some exercise! Go to the gym or go swimming!

Dwarf 1: but I don't want to :(

Snow White: please give me your phone. (she takes it)

Dwarf 1: NOOOO! ...hmm although I can do so many interesting things instead

Snow White: That's right!

Dwarf 1: hmmm, maybe, I will do some sport? But I can't!

Snow White: Good idea! Let's play "floorball"! I'll teach you! You're a good dwarf. I'm proud of you.

SCENE 3

(Dwarf was sitting on the armchair and he was reading a newspaper. When he finished, he wanted to throw out this paper.)

Snow White: What are you doing? You shouldn't throw it into this bin!

Dwarf 2: Why ? Do you have any idea what I should do with it?

Snow White: Oh no... You don't have any knowledge about ecology? First of all – Ecology!. What do you know about this word?

Dwarf 2: it seems to me that it has something to do with our planet.

Snow White: Good start. Have you got any separated bins in your kitchen?

Dwarf 2: No, I haven't.

Snow White: Ok. Let's start. If you want to help the environment you must sort out the rubbish! You need four different bins. The first one for paper, the other one for glass and the last one for plastic! You can use colors. The blue one is for paper, the green one is for glass and the yellow one is for plastic.

Dwarf 2: Thank you Snow White! I'm so happy. Now I know how to help environment . I have got three different bins in my kitchen and I throw paper away to the special blue bin and I help trees. (he's throwing away a newspaper)

Snow White : Well done!

Dwarf 2: Thank You for all information. I'm recycling my rubbish now!

Snow White and Dwarf In the forest (conversation with other dwarf)

(Dwarf threw away a plastic bottle to the forest, Snow White was angry for it so she began to teach the Dwarf how to help the environment)

Snow White: (name of dwarf) ! What are you doing, You can't leave this bottle in the forest !

Dwarf 3: Why ? It is nothing wrong.

Snow White: Really ? Didn't you know that trees make an oxygen ? And without trees you can't live ?

Dwarf 3: Oh.. I didn't know that... But how could the plastic bottle kill trees ?

Snow White: The plastic bottle pollutes the environment, and then trees are beginning to die. Take this bottle and put it into the bin.

Dwarf 3: All right, so come on ! (He's taking a bottle)

In the House of 4 dwarves
(Dwarf is throwing a bottle to the wrong container)

Snow White : (talking to the dwarf) what are you doing ? This is the container for paper !

Dwarf 3: Oh ! I thought that the blue one is for plastic .

Snow White: (affectionately) No .. The blue one is for paper, the yellow one is for plastic and the green one is for glass.

Dwarf 3: So I have to throw my plastic bottle into the yellow one ?

Snow White : Exactly !
(the dwarf puts the bottle to the right bin)

Snow White : Good Job !

SCENE 4

(Snow White is coming back from forest with some mushrooms in the basket, while she is In front of the house she is looking at the sky and the black smoke)

Snow White: Oh my goodness ! Why is this smoke so dark!

(She is running behind home and she sees one of the dwarves, who is burning some rubbish. She is terrified !)

Snow White: What are you doing ? The smoke is horrible !

Dwarf 4: Oh.. stop ..it is only smoke. Don't Panic !

Snow White: What ! You are so silly. Are you burning this ? (she picked up a bottle or something) You are polluting the air ! And you will be sick because of the action ! But not only you ! The animals, other dwarves and humans. You can't do this.

Dwarf 4: OK... burn bottles.. and also I don't feel like cutting down the trees every day, this is really tiresome..

Snow White: You are the laziest dwarf of all your brothers ! So now you will go and cut down these trees to burn them in the campfire.

Dwarf 4: OK.. that's fair, but cutting trees down is dangerous too, because they make oxygen.

Snow White : But the trees will grow up again. Here take these seeds. After you cut a tree you should sow a new one.

Dwarf 4: "Oki Doki". See you soon. I will be back for dinner.

SCENE 5

NARRATOR: Meanwhile at the palace ...

STEP-MOTHER: - Spieglein, Spieglein, an der Wand, wer ist die schönste im ganzen Land?

MIRROR: -Frau Königin, Ihr seid die Schönste hier, aber Schneewittchen über den Bergen bei den vier Zwergen ist noch tausendmal schöner als Ihr.

STEP-MOTHER: Now I understand!. Oh, that huntsman deceived me. I have to think of something.

NARRATOR: She went into her most secret room, and she made a poisoned apple.

STEP-MOTHER: With this poisoned apple you will die, Snow White! Ha, ha, ha, ha.

NARRATOR: From the outside the apple was beautiful and shiny. But anyone who might eat a little piece of it, would die.

STEP-MOTHER: I have to disguise myself so she can't recognize me. Now I will go to those dwarves' house.

NARRATOR: She travelled to the dwarves house and knocked on the door. Snow White put her head out of the window, and said.

SNOW WHITE: I mustn't let anyone in.

STEP-MOTHER: Would you like to taste one of my sweet apples?.

SNOW WHITE: No, I cannot accept anything from strangers.

STEP MOTHER: Are you afraid of poison?. Look, I'll cut the apple in two. You eat one half and I will eat the other one.

NARRATOR: But only one half of the apple was poisoned.

SNOW WHITE: Well, all right, I see that you are also eating part of it, so give me the other half.

NARRATOR: She barely had a bite in her mouth when she fell on the ground dead.

STEP MOTHER: Ha, ha, ha, White as snow, red as blood, black as ebony wood!. The dwarves shall never awake you. Good-bye Snow White!. Ha, ha, ha, ha.

NARRATOR: While she was returning to the house stepmother threw garbage, knowing that it could hurt the Snow White.

STEP MOTHER: - Spieglein, Spieglein, an der Wand, wer ist die schönste im ganzen Land?

MIRROR: - Frau Königin, Ihr seid die Schönste hier, aber Schneewittchen ist noch viel schöner als Ihr.

STEP MOTHER: That's impossible! Snow White is still alive! I must come back to the forest.

SCENE 6

NARRATOR: When the dwarves came home that evening, they found Snow White lying on the ground.

DWARF 3: Snow White, wake up, what happened to you.

DWARF 4: She is not breathing at all. She is dead!.

NARRATOR: They lifted her up and looked at her for a long time.

DWARF 3: Snow White, wake up, talk to us, please.

NARRATOR: But nothing helped. She was dead.

Dwarf1 : We cannot just leave her here !!

Dwarf 2 : We need to come out with some idea. Someone must help to recover the Snow White .

(After a moment of thinking one of the dwarves gets an idea)

Dwarf 3: Love can cure her.

Dwarf 2: How can love help?

Dwarf 3 : I am thinking about the kiss. It could save the Snow White .

Dwarf 1 : Surely , every kiss in Disney's fairy tales works.

Dwarf 4: Now we need to find a prince who will help us

(dwarves notice him and run after him)

Dwarf 4: We need you . You must rescue the princess by giving her a kiss .

Prince: Why? What happened?

Dwarf 2: That's a long story. A cruel queen has killed our Snow White, because she was more beautiful than her!

Prince: All right then! Why not ;-) (he kisses the Snow White)

(Snow White isn't waking up)

Dwarf 1,2,3,4 : Snow White !!!

Prince: Love isn't enough in that case.

Dwarf 1: I know! The Snow White was teaching us how to take care of the environment. Let's use this knowledge. It may rescue our Snow White! Prince! We'll show you how to do it!

(Dwarfs and the Prince clean up the forest.)

(song Heigh Ho! and stepmother sneaks)

Dwarf 1: What are you doing here ?

Stepmother: Snow White is dead! But I'm not the most beautiful in the world, I don't understand!

Dwarf 2: You are the most cruel in the world! How could you do that!

Dwarf 3: Didn't you know that the most important is what we have inside?

Stepmother: err... What do you mean?

Prince: Look at them! One is fat and short, the other one has got a long nose. But it doesn't matter because they're beautiful inside. They're just good dwarves.

Dwarf 4: You can be the most beautiful in the world but if you are heartless then your beauty isn't real.

Dwarf 1: The most beautiful is one who owns a big heart!

Stepmother: So what should I do to become the most beautiful of them all?

Dwarf 2: Make good deeds...

(dwarves continue tidying up with Prince, after a moment stepmother joins them)

(Stepmother takes a bottle and she wants to throw it to the blue container for paper)

Dwarf 3: Oh no !! It's not here.

Stepmother : And how do you know ?

Dwarf 1: Snow White has taught us about that

Dwarf 2: Exactly. Blue container is used for paper .

(Stepmother throws bottle to green bin. She picks up a piece of paper)

Stepmother : Is that correct?

Dwarf 1,2,3,4 : Yes!

(Snow White wakes up)

DWARF 1,2,3,4 : Snow White ! You're alive! Hurray!

(Snow White is smiling to dwarves and looking at the stepmother)

Snow White : What are you doing here ?!

Step Mother: I wanted to say sorry because I know that I was cruel. I wanted to be the most beautiful, but forgot about much more important thing – HEART. Dwarves showed me how to be environmentally friendly and make good deeds. Please forgive me!

Snow White: I'm so happy to hear that.

Dwarf 1,2,3,4: Spieglein, Spieglein, an der Wand, wer ist die schönste im ganzen Land?

Mirror: Sowohl Schneewittchen als auch die Königin sind die schönsten in der ganzen Welt.
